WHAT YOU CAN EXPECT FROM ME

- Availability to you and your attendees and building meaningful connection is one of my top priorities. I believe that some of the most powerful ministry happens in face-to-face, heart-to-heart conversations. I will be available at your event for one-on-one conversation and prayer.
- Partnership in ministry. I would be honored and humbled to speak at your event and if the opportunity is presented to me, I will do so in a way that will support the work you are doing in your ministry and serve the people you serve.
- Prompt, professional replies to your phone calls or email messages.
- A personal phone conversation with me prior to your event, so I can better understand how I can best serve you and your audience.
- An announcement about your event on my blog and social media channels, if you desire additional visibility.
- A professionally prepared, passionately delivered presentation focused on meeting the “felt” needs of your audience in an effort to have a lasting, positive impact.
- A custom resource/handout, created exclusively for your attendees, if you desire.
- A brief follow-up communication after the event to make sure I met your expectations and to also receive feedback from you.
